Lombard's Dahlia Gardens

Dahlia Roots
Price List 1947

E. H. Lombard

Portland Road Saco, Maine

-
- Arelida Lloyd, ID**—Color, a clean lemon yellow with very light rose suffusion on ends of petals with a clear yellow center, or best described as yellow Jane Cowl, as form and bush are almost identical .60
- Autumn Sunset, FD**—Is an Honor Roll Merit Dahlia. We are confident that this Dahlia will really go places. Many well known Dahlia authorities have acclaimed this as the finest Autumn colored introduction. Don't fail to grow it. Color: Lemon yellow center, spreading to lightly tinted spinal red .75
- Buckeye King, FD**—A large, golden yellow shaded bronze. Though an old Dahlia, if planted and given the attention accorded a new variety, it has consistently beaten all recent large gold or bronze introductions for size and beauty60
- City of Cleveland, ID**—Bright scarlet splashed with orange. Late in the season the flowers are an intense orange with a slight blush of gold60
- Clara Carder, ID**—One of the prettiest of the pinks. Produced in great profusion on perfect stems all through the season. Color is a delicate cyclamen pink in a class by itself75
- City of Wellston, FD**—Deep purple of symmetrical formation on good stiff stems. A splendid keeper and one you will like75
- Dorothy Stone, ID**—A magnificent, bright pink Dahlia that is a top-notch. The blooms are not only large and deep, but are borne in great profusion and are boldly held facing sideways on long, rigid stems75
- Ernestine Wright, FD**—Immense, round flowers, white lightly suffused and veined lavender pink. Very large, strong plants; good stems, many blooms75
- Fordhook Victory, ID**—A light pink that is very lovely. Good stems and growing habits. Always popular75
- Fay Beaton, SC**—A large deep flower of clear snowy whiteness. Strong, medium tall plants with good stems; bear profusely75
- Haslerova, ID**—A glorified Le Grand Manitou only more refined, the ground color being a delicate lavender, almost white, flecked French purple75
- Hearts of Gold, ID**—Extra large, full, deep, yellow flower, on good stem; free bloomer; strong growing plant; great exhibition and cut flower75
- Helen Ivins, FD**—Large, well-formed orchid lavender of light rosaline purple. Stems are extra long60
- Kemp's Royal Pennant, FD**—A new and very distinctive Dahlia. The plant is tall, straight and a very beautiful light green color; flowers are large, very even and smooth. The color almost a royal blue is very different85
- Lantern Glow, SC**—This new Dahlia is a leader. The plant is extra heavy spreading and of medium height. The flowers are large, a blend of bronze, buff and gold, and a trace of cerise. Many fine blooms80

-
- Mrs. George Le Boutelier, ID**—A giant flower, and in our opinion, an improvement on Murphy's Masterpiece, and a very striking and showy plant in the garden. Color, deep crimson red60
- Myra Howard, ID**—Glowing combinations of saffron and gold with tints of salmon, the entire effect being ochraceous orange. Fine form and color. Wonderful plant and a thrifty grower75
- Mrs. A. E. Wheeler, FD**—The huge garnet purple flowers are borne in great profusion from early season until frost75
- Omar Khayyam, FD**—Chinese red at base shading to bright orange and tipped lighter making a wonderful soft color effect. Tall healthy grower, strong foliage, good rootmaker75
- Pink Giant, ID**—Tyrian pink. This brightest of pink shades has long been lacking in a good Dahlia. Now we have it. Bloom 9x4. Bush 5 feet. Pink Giant is a grand garden Dahlia85
- Percy Bloomfield, FD**—The large flowers are a beautiful shade of rose with a golden sheen. Very large, spreading plants with long stems make this an exceptionally fine Dahlia80
- Pride of California, ID**—Called the American Beauty Dahlia. It is a gold and silver medal winner. Scarlet red with dark, full center. Huge flowers on long, straight stems60
- Pride of Austinburg, ID**—The immense blooms are a blend of apricot buff and violet rose, a rich, glistening flower held high on good stems. Medium tall plant, dandy stems75
- Red Sunset, FD**—This new variety is a flashy cardinal red with golden flushes and golden tips at center of the flower. The growth habits are perfect, stems long and straight and it is a prolific bloomer75
- Rose Fallon, FD**—Most wonderful flower of enormous size, held erect on straight, strong stems; this magnificent bloom is a beautiful color of deep old gold of the finest type60
- Ruby Taylor, ID**—A prize winner from the Pacific coast which has met with instant approval wherever grown. The color is carmine and the large, deep blooms are supported by perfect, long, stiff stems60
- Sanhicans Blue Bird, FD**—Medium size flowers are a beautiful violet blue shade, the nearest blue we know. Well branched plants with long stems make the many blooms very showy75
- Sanhican's Beauty, FD**—A huge, round, orange-pink flower, good, long stems, strong, medium plant. A large, deep Dahlia of iridescent autumn shades60
- Salem Pride, ID**—Is an exhibition type Decorative, of large size and great beauty, Color is opalescent pink. Face of petals creamy white, reverse phlox pink75
- Watchung Giant, ID**—A Dahlia for the largest bloom class of deep amber yellow suffused orange cadmium which reminds us of Dahliadel Gold60

INFORMATION

In presenting my 1947 Catalog I take this opportunity to thank my many customers for their liberal support in the past and hope I may serve them again as well as many new customers. I personally put up each order and carefully inspect each root sent out. I guarantee all Dahlias are grown without forcing, with sufficient potash in the soil to insure strong roots.

Consider ordering as early as possible as the stock of some varieties is limited. I start shipping March 10th if weather permits, but will ship any specified time after that date. Directions for growing and keeping the roots over winter sent with each order.

All orders over \$1.00 sent post-paid; for \$1.00 or less add 15 cents for postage.

Terms: Cash with order or one-third of the amount with order and balance before shipping date. Remit by check, post office money order or registered letter.

Reference. York National Bank, Saco, Maine.

The Dahlia Classifications in this Catalog are the new form adopted by the American Dahlia Society. The abbreviations are as follows: "C" Cactus, Incurved, Recurved, or Straight; "S-C" Semi-Cactus; "FD" Formal Decorative; "ID" Informal Decorative.
